

International Custom Products (ICP) Inc. is a leading supplier of efficient, cost effective warehouse solutions with our Quick Pocket system. For over 25 years, we have created customized solutions for various companies and industries around the world, including financial institutions, insurance companies, governments, transportation companies, crown corporations, and outsourcing companies.

Our custom-made Quick Pockets work to efficiently maximize storage and sorting space, while saving on time, cost, space, and resources. By including a variety of customized features, including increased storage volume, greater efficiency for pick-up, decreased labour costs, and durability, we have the best solutions for your warehousing needs.

ICP also offers custom stitching services for any and all applications. We have the capability to custom design, produce, and manufacture nearly any stitched product by catering to our clients' specified style, material, and colour.

ICP was founded in 1985. We are an award-winning, ISO 9001:2015-certified company with a staff of over 150 full-time employees, operating out of a modern manufacturing facility in Toronto, Canada. We pride ourselves on our quality products, excellent customer service, and a quick turnaround for quotes, design, and prototyping.
